

GO ALONE TO BELARUS

So go alone to Belarus
It's clear they do not want me
My travel Visa's been denied
So go ahead and taunt me.

I can't believe they turned me down
From Minsk my family came!
And now for me the border's closed
Oh, don't they know my name?

So go alone and miss me not
I shan't see Belarus
By boat or plane or rental car
By bus or by caboose.

When you're in Belarus, my son
Please tell them who they missed
And I'll see Rome and Wales and
Cross that country off my list!
